### **Directions to the conference room (“Anthropole” building, room 2055)**

The conference will take place on the campus of the University of Lausanne, in room 2055 of the “Anthropole” building. The metro stop is “UNIL-Chamberonne” on the M1 line. To reach the campus from the train station and the hotels AuLac, Elite, Alagare and Alpha Palmier, you can take the metro “M2” to the stop “Lausanne-Flon”, and change to the “M1” metro line to the stop “UNIL-Chamberonne”.

From the Bellerive hotel, you can take the bus n°25 to the stop “Bourdonnette” and then take the “M1” metro line (heading towards “Renens-Gare”) for one stop until “UNIL-Chamberonne”.

All the conference sessions will be held in room 2055 of the building “Anthropole”. To get there from the “UNIL-Chamberonne” metro stop when arriving from Lausanne, turn right as you head of the metro, cross the tracks and take a left. Turn at the next right, and head into the Anthropole building that is in front of you. Head straight until you find yourself below concrete staircases: the 2055 conference room will be on your right. Please refer to the first map on the next page.

### **Meals:**

Upon registration, you will be asked to sign up and pay for lunch coupons worth 20.- CHF. Tables will be reserved for our group at the main Cafeteria on campus, in the Unithèque building. It offers a wide range of catered hot meals, sandwiches, salads, pizzas, burgers etc.
